Data Users Advisory Committee; Request for Nominations

AGENCY: Bureau of Labor Statistics (BLS).

ACTION: Request for nominations to the BLS Data Users Advisory Committee.

SUMMARY: The BLS is soliciting new members for the Data Users Advisory Committee (DUAC). The current membership expires on January 14, 2015. The DUAC provides advice to the Bureau of Labor Statistics from the points of view of data users from various sectors of the U.S. economy, including the labor, business, research, academic, and government communities, on technical matters related to the collection, analysis, dissemination, and use of the Bureau's statistics, on its published reports, and on the broader aspects of its overall mission and function. The Committee will consist of 20 members and will be chosen from a cross-section of individuals who represent a balance of expertise across a broad range of BLS program areas, including employment and unemployment statistics, occupational safety and health statistics, compensation measures, price indexes, and productivity measures; or other areas related to the subject matter of BLS programs. BLS

invites persons interested in serving on the DUAC to submit their names for consideration for committee membership.

DATES: Nominations for the DUAC membership should be postmarked by May 9, 2014.

SUPPLEMENTARY INFORMATION: BLS intends to renew membership in the DUAC for another three years. The BLS operates over two dozen surveys that measure employment and unemployment, compensation, worker safety, productivity, and consumer and producer price movements. BLS provides a wealth of economic data and analyses to support public and private decision-making. The DUAC was established to provide advice to the Commissioner of Labor Statistics on the priorities of data users, suggestions concerning the addition of new programs, changes in emphasis of existing programs or cessation of obsolete programs, and advice on potential innovations in data analysis, dissemination, and presentation.

Nominations: BLS is looking for committed DUAC members who have a strong interest in, and familiarity with, BLS data. The Agency is looking for nominees who use and have a comprehensive understanding of economic statistics. The U.S. Bureau of Labor Statistics is committed to bringing greater diversity of thought, perspective, and experience to its advisory committees. Nominees from all races, gender, age, and disabilities are encouraged to apply. Interested persons may nominate themselves or may submit the name of another person who they believe to be interested in and qualified to serve on the DUAC. Nominations may also be submitted by organizations. Nominations should include the name, address, and telephone number of the candidate. Each nomination should include a summary of the candidate's training or experience relating to BLS data specifically, or economic statistics more generally. BLS will conduct a basic background check of candidates before their appointment to the DUAC. The background check will involve accessing publicly available, Internet-based sources.
